

FAQs

What areas do you work in?

Based out of Charlton, MA, but willing to travel within New England. Travel fees may apply.

What kind of photography do you specialize in?

We specialize in mostly family and children sessions. We are willing to work with you on your needs, so contact us if you are looking for something else that you do not see listed, such as events, headshots, or senior portraits.

How long is a typical session?

We book for 2 hours a session, unless listed as a mini session.

How much does a session cost?

A lot of factors go into pricing of a session and your photography needs. We typically start off around \$300 for a session which includes downloaded digital images from your online gallery. Some factors that affect cost are length of session, number of subjects, and location. Please send an inquiry to Lisa@lisaube.com for a quote.

Can I order prints?

Yes! Costs of printed images will be listed in your gallery and will come from mpix.com. They can be ordered in a variety of sizes and on various products (such as calendars, mugs, etc).

What should I wear to my session?

Up to you! Depending on what style of photos you would like, you can match shirt or pant color or coordinate a color palette. Look at my portfolio to see some of the great ways my clients have styled their photos. Or send me a message and I can suggest some ideas based on location of session.
